Chairperson: Jayne Riddet

Secretary: Rosemary Slack

To All Schools and Entrants

Cancellation of Music Festival – Friday 20/3, Saturday 21/3 and Sunday 22/3/2020

I have to advise you that, taking in to account the current guidance being delivered on the Coronavirus, that is changing on a daily basis and after full consideration and consultation with the Working Committee of DDMFA, that sadly, it has been agreed to **cancel** the Music Section of this year's Festival in the best interest of public safety for health and wellbeing

As you can imagine, this has been a very difficult decision to make but it is essential that the health and wellbeing of everyone involved in the festival is priority.

May, I personally thank everyone involved in the preparations for the festival. I am fully aware and appreciate the work, time, and effort in preparing those involved. Be it; teachers preparing the entrants, the competitors themselves, parents, families and friends for organizing their time and making the appropriate arrangements to attend and volunteers willing to give up their time to support us.

All entry fees will be reimbursed.

I hope that you will understand the decision to cancel and that you will continue to support the festival next year and in the future.

Sincerely

Jayne Riddet  
Chairperson
