

# Perform in Dumfries

## Needs You to Become A Member

Perform in Dumfries is a non-profit making organisation which relies solely on income from subscriptions, entry fees, admission fees and donations from members. All Office Bearers, members of committee and steward helpers are volunteers and receive no payment for their work and time. As you are no doubt aware, costs rise each year and although we are indebted to the Education Department for the use of schools as venues and help in producing syllabuses and programmes, we do need income from members to expand the activities of the Association.

**Members** pay an annual subscription of **£10 minimum**, payable by the 31st of December each year. Membership entitles you to

1. Attend and vote at the AGM.
2. Receive a complimentary pass that allows entry to all Festival venues
3. Receive a complimentary programme for each section
4. Have your name printed in the festival programme.

If you wish to become a Member please fill in the form below and hand it to a Committee member or return it to the Honorary Treasurer, John M Riddet, Mote Cottage, Templand, Lockerbie, DG11 1TH.

Perform in Dumfries also offers corporate patronage to companies that wish to support us. To find out more about this please contact The Treasurer.

I wish to become Member of Perform in Dumfries (Dumfries and District Music Festival – DDMFA) and enclose the appropriate fee (**£10 minimum**). **Cheques should be made payable to DDMFA.**
